Summary Report of Arizona Department of Education's Site Visit

Ken Rausch, our Education Program Specialist, from the Arizona Department of Education, visited both Edge campuses as part of the bi-annual requirement for schools in school improvement status. This was Ken's second visit of the year. Ken met with school leadership to our progress towards our goals on our Integrated Action Plan (IAP) and hear about our successes and areas of growth of this school year. He also observed classrooms at each campus and held a focus group with our staff. You can read his Summary Reports at the links below:

Student & Support Person Surveys Administered

Each semester we solicit feedback from both students and support persons at each campus. Surveys are created through Cognia, our accreditor. Survey results are analyzed and used in writing our Integrated Action Plan (IAP) for the upcoming school year. You can view the results of those surveys below:
